

KNOWLEDGE BUILDING BLOCKS

Pupils should know:

- ❖ God the Creator cares for the creation, including human beings.
- ❖ As human beings are part of God's good creation, they do best when they listen to God.
- ❖ The Bible shows that God *wants* to help people to be close to him — he keeps his relationship with them, gives them guidelines on good ways to live (such as the Ten Commandments).
- ❖ [Building block from EYFS: Christians believe God made our wonderful world and so we should look after it.]

All Christians and Jews believe in the story of creation. They believe that God created everything in the universe and that he is truly amazing.

The Bible describes how God created the world.

Genesis 1 says that God created light, sky, land, vegetation, and living creatures over the course of six days.

Genesis 2 tells us that God made two humans called Adam and Eve

In Genesis 3 Adam and Eve went against God, known as 'The Fall'.

Christians believe Genesis 3 tells us not to lose faith in God and to remember to say sorry and ask for forgiveness.

Christians believe God wanted humans to look after the world.
