GOSPEL Where, on 'The Big Frieze' can you see the Gospel frame?

The New Testament is part of the Christian Bible.

It tells the story of Jesus Christ, his followers and the beginnings of Christianity.

Christians believe that Jesus' incarnation is 'good news' for all people. His life and teaching shows what it is like to be one of the people of God and how to live in a relationship with God.

There were 12 people whom Jesus chose as **disciples**.

Jesus made his 12 disciples **apostles**. They learnt from him while he lived and continued to spread his teachings after he died.

Good news is the message of Jesus. They include **forgiveness** and **peace**, and tell people how they should behave. These are good things for all people not just Christians.

Christians follow his teachings by doing good things as part of a church community or in their own lives. They might help people in need or say sorry and ask for **forgiveness**.
