

KNOWLEDGE BUILDING BLOCKS

Pupils should know:

- ❖ What different people believe about God (Y1.1)
- ❖ Who is Christian, Muslim or Jewish and what they believe.

Some Christians believe they have experienced 'the presence of God' or had prayers answered; that the universe is so extraordinary that it must be the result of God.

Jews and Muslims are theists too.

An **atheist** might say there is no God because of all the suffering in the world.

They believe science explains how the universe was created.

People believe different things depending on their family background or experiences they have had.
