--------------	------------------------------------------------	---------	----------------

KNOWLEDGE BUILDING BLOCKS

Pupils should know:

- ❖ How we should we care for others and the why does it matter, remembering the work of Mother Teresa and Tzedakah is a Jewish charity.
- ❖ Christians read the 'big story' of the Bible as describing the story of God's relationship with people He made.

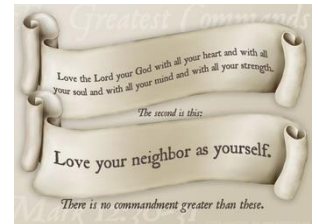

Christians believe that humans were made in the image of God, but also sinful.

'The fall' is the story of the first man and woman created, who sinned against God.

Humanists are one group of non-religious people. They say humans work out their own way of being good, without any 'divine being'. That you can still be good without God.

Christian codes for living can be encapsulated in Jesus' two rules of ...

The 'Good Samaritan' is a parable Jesus used as an example of this. Loving those who may not be our friends.

Christians believe that Jesus died on the cross for us so that we could be forgiven for our sins. Jesus showed for love for others.

Christians and Humanists often share similar values but the beliefs behind them are different.
