## Dear Parents, Carers and Children, Careers Week

This week started with us meeting some lovely people who came to share their own careers and how they were inspired to do what they are doing now. The children could see how talents and interests they have now, right from an early age could lead them into using those gifts in the future. They met a wonderful lady who designs and makes jewellery; she was very creative as a child and channelled those talents by going to design college and is now making and selling her own jewellery. They also met a Fundraiser for the Air Ambulance who talked about all the roles needed when deploying an Air Ambulance to save someone's life, from the person who checks the Air Ambulance for safety, the pilot and those who are medically trained. There are also those behind the scenes taking the emergency calls, designing the next Air Ambulance and it's equipment and those who constantly volunteer and help raise money for the charity so the Air Ambulance can keep saving lives. There was even a message given to us from a medic who said he knew right from the age of 6 that that was what he wanted to do and to keep dreaming, aspiring to be what you want to be and believe that you can do it! Today we also met a Lecturer in construction from Solihull who inspired our older children to use their gifts and develop their ambitions. We will meet a Mental Health Nurse in the future who was unable to attend this week. I hope the children will use this week as an opportunity to reflect on their talents and possibly have some new ideas of careers they had not thought of before. We also hope to enlist other people to talk about their careers in the future as this becomes a regular yearly event!

## A Day for Ukraine—Dress in Yellow & Blue on Thursday 17th March

Since the start of the war in Ukraine it has been unsettling and worrying for many of us. Russia's invasion of Ukraine is deeply distressing and heart breaking. Children have asked questions and often wondered how they can help. A couple of Year 5 children, Jessica and Scarlett, spoke to me this week about the school helping and making a contribution to the Ukraine Appeal following a self-less sponsored event they had organised to raise money for the Ukraine Appeal themselves. Mrs Taylor brought to my attention that the Malvern Rugby Club is an official Donation Centre and how her running club is collecting donations

to take there. Bringing the two ideas together and listening to the children, I have decided that it would be a lovely idea to extend this donation collection to the whole school rather than just the staff.

On **Thursday 17th March**, I am proposing that we wear the colours blue and yellow, representing the Ukraine in support for and in exchange for bringing in an item for the Ukraine Appeal. Those children who have PE on Thursday must wear sensible shoes so they can continue with their PE lesson during the afternoon.

If you wish to take part please bring in whatever donation you can make from the list below, every small donation matters. Our school family will be making such a positive contribution and making a difference to those who are very much in need in these troubling times.

**Blankets, sleeping bags, thermos flasks, raincoats, NEW underwear (men, women and children) , toothbrushes, toothpaste, shower gel, shampoo, hairbrushes, instant food, instant baby milk, baby wipes, nappies, sanitary products, bed linen, canned food, packet food, energy bars, torches and batteries.**

Have a lovely weekend, Mrs Beale.

**ASPIRE, BELIEVE, ACHIEVE**

'Our school family values us all as unique individuals and children of God.

We **aspire** to be the best version of ourselves; **believing** that through the gifts God has given us, we can make a positive contribution, flourish and **achieve** together to make a difference in our ever-changing world.'

### Ukraine information.

Children need to see the world as safe and predictable. Experiences of trauma or even images of trauma can make the world feel an uncontrollable and unpredictable place. Look out for signs of fear or worry that your child might not be willing or able to express.

We can't (and shouldn't) hide what is happening in the world but we can limit the exposure by monitoring internet usage (depending on age) and not having constant news in the background on the TV and radio. Showing a map of the world to demonstrate how far away the fighting is might help.

[BBC Newsround have produced a short programme](#) explaining to children what is happening in the Ukraine. This resource provides factual information if they are confused or asking questions.

If children feel they have an understanding of what is happening, and confusing is reduced, they are less likely to feel anxious. Ensure that the information you give them is simple, factual and at an age appropriate level. Be guided by the questions your children are asking; if they ask, they need information. Here are some useful websites and information to support you at home.

### Century Cup Spring Challenge

The children in Years 3-6 have been working hard on their Century Cup Spring Challenge. They have been completing assignments and 'nuggets' their teachers have been setting. They have added to their personal scores as well as extending their learning and knowledge. Don't forget to keep making a huge effort at home too, to complete homework on Century as this will help your child learn more and retain more!

#### Week 1 top scorers

Year 3- Peter- 83 questions

Year 4- Max -78 questions

Year 5- Tiffany- 232 questions

Year 6- Maisie- 109 questions

You have all received a certificate in worship today. Well done! Keep working hard and we will see who completes the most questions next week! We will also be adding to our whole school score against other schools internationally!

#### Whole class results

Year 3- 551 questions

Year 4- 290 questions

Year 5- 2531 questions WELL DONE Y5!

Year 6- 1208 questions

**Well done to all the winners from week 1.**

#### Help with Energy Bills!

We wanted to make you aware that many energy companies are offering individual support for households who may be struggling to pay their energy bills since the prices have been rising. If you go onto your energy supplier website they may have information regarding requesting help if you are struggling to pay your bills.

Here is a link to the Citizens' Advice Bureau with more information, not all energy suppliers are listed so if yours is not there go directly to your energy supplier website for more information.

**Rugby Taster Day - Friday 18<sup>th</sup> March 2022**

Mr Salmon, our PE Lead, has organised a special day at school next Friday, 18<sup>th</sup> March to promote Rugby and physical activity at St Matthias.

Caity Mattinson is a Worcester Warriors player who has just been selected for the Scotland squad for the upcoming Woman's World Cup. She will be coming into school for the day to give our children a taster of what rugby could do for them.

She will give a talk during our Celebration Worship and I am sure this will inspire all of our pupils and especially our girls to aim high and believe in themselves for their futures. She will then deliver sessions (approx. 30 mins) per class throughout the day. **ALL** children can wear their St Matthias PE kit next Friday 18<sup>th</sup> March so they are ready to take part in this amazing event!

**Fire Brigade**

Today we also had an unexpected visit from the Fire Brigade! During our lunchtime the fire alarms went off in school; the children and staff were very sensible and organised as they left the building and gathered in our usual places on the KS1 playground. As this was not a planned practice the Fire Brigade was called so they could check the building.

The children and staff were gathered within minutes and as it was very wet due to the rain, we decided to go to the church to shelter. The fire brigade arrived within 5 minutes and located the problem. They ensured the building was safe and we were all able to return to school within 15 minutes. I reassured and thanked all the children for being so sensible and safe. I was so proud of everyone as it just shows that our fire practices work when there is an unexpected alarm.

Please congratulate your child on being amazing!

There are two sessions in every day, am and pm. All children from Yrs R - 6 attend 10 sessions per week.

Well done to **Year 2** for the best attendance this week & to Year 2 for the least missing sessions.

**Hope**

*As a church school, every half term we concentrate on an important value for life.* Each half term we choose a special Value which we think about very carefully in our worship, our classrooms, in our playground and everywhere in school. We will focus on what they mean in our lives and in our relationships with each other.

**Hope**

**Our Value this half term is "Hope"**

Isaiah 40:31 "Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint"

**Christians see their hope in God's promise, "that love and goodness have and will ultimately overcome all evil"**

Dalai Lama "When faced with problems don't lose hope. Keep up your self confidence and don't be too impatient to achieve quick results."

**Gandhi " Only he can be a leader who never loses hope"**

Teachers will be on the look out this half term for children who are really trying hard to show hope in their learning and around school. We pray and hope for the people in Ukraine and for the war to end.
