## Dear Parents and Carers,

This is my last newsletter for this academic year as we break up for the summer holidays next Thursday 21st July. I want to express my heartfelt thanks to everyone: staff, children, parents and governors for all your support during the year. We all work incredibly hard to ensure your children make progress in their learning, follow our school vision, enjoy their work and have a range of opportunities throughout the year to enhance the curriculum. We have not been without COVID and I have to say I have the most amazing team of staff who step in, often at the last moment, to ensure that the school continues to run smoothly even when someone is absent. This is because we care and know that a familiar face is always the best option. I also want to wish Mrs Taylor a very happy retirement, she has promised to visit us regularly and come back for some 'messy play' events! We will truly miss her and wish her a wonderful time, enjoying family and travelling!

## Transition Day

This Monday we are holding our 'Meet the Teacher' Day where your children will experience a whole day in their new year group. The children will arrive as normal, they will go to their current classrooms, then following Worship the new class teacher will lead them to their new classroom. They will spend the day building relationships, finding out about their teacher, routines, curriculum and having lots of opportunities to ask questions. At the end of the day they will return to their normal classrooms so they can be dismissed by their current teachers.

## School Reports 2022

Your children should have come home with their school reports this week. We are very proud of all the children for their efforts and hard work. Each child has made progress and flourished academically and socially. They are now ready for the next part of their journey, be that in the next class or next school. In with our school reports you will find information about their next class and attendance. I want to say a huge thank you for the lovely comments and praise for our staff written in the feedback following the ClassDojo message sent out on Wednesday. We really appreciate the time you have taken to read the reports and give feedback.

We always welcome comments and feedback so if you have not had the opportunity to make your comments about the school report you have read please click on this link and let us know <https://forms.office.com/r/yjH6RuZNts>

If you would like to discuss your child's school report please request a telephone appointment via ClassDojo directly to the teacher, or phone the school office.

If your child has not come home with a school report or they have been absent please contact the office and we will be able to get the report to you.

## September

We are looking forward to welcoming the children back to school on **Wednesday 7th September at 8.45am**. The staff have two Teacher Education Days on Monday 5th and Tuesday 6th September.

As a church school, each half term we choose a special Value which we think about very carefully in our worship, our classrooms, in our playground and everywhere in school. We focus on what they mean in our lives and in our relationships with each other.

**Our Value this half term is "Community"**

Romans 12.16 Live in harmony with one another

**Colossians 3:13-14 "Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity"**

Romans 12:4-5 "Community is life-giving– and essential to following Christ. Scripture says that's because we're better together than we are alone"

**Eisenhower "This world of ours... must avoid becoming a community of dreadful fear and hate, and be, instead, a proud confederation of mutual trust and respect."**

**Ours is a wonderful school, nurturing and flourishing; showing great depths of community.**
