## Zero-Tolerance Statement

The Governing Body believe all members of staff have the right to work without fear of violence and abuse, and the right, in an extreme case, of appropriate self-defence.

Violence, threatening behaviour and abuse against school staff or other members of the school community, including other parents and students, will not be tolerated. All members of the school community have a right to expect that their school is a safe place in which to work and learn. There is no place for violence, threatening behaviour or abuse in our school.

We expect parents and other visitors to behave in a reasonable way towards members of school staff and the wider school community at all times.
