

Year 2 Weekly Home Learning Plan – 22.6.20

Please find below this week's Home Learning for Year 2. I hope you are all still OK. You are doing SO well keeping everyone busy.... It must sometimes be hard. But lots of you are still sharing things with me.

<https://www.youtube.com/watch?v=Z1JwZN1ZtQ&feature=youtu.be> This is a video about returning to school which you may like to share with your child.

ClassDojo

Fantastic communication on Class dojo. It has been lovely getting to know the children at home and talking to parents. You are all working so hard and showing you are continuing to try hard. Message or call school if you need other PAPER resources or sheets!! I can find maths challenges, reading activities and English work.

Daily Reading (this will be the same every week)

Read to an adult for at least half an hour each day. This could be broken into two 15-minute sessions. Enjoy any reading material you have at home including comics, magazines, books, annuals etc. If you run out of books and are able to get online, you can also access reading activities on: **Please listen to The Twits.**

Daily Oak National Academy Lessons

Please CONTINUE to use the Oak National Academy site to access daily English, Maths and Foundation subject lessons. You can find the lessons here: <https://www.thenational.academy/> and we have sent instructions for how to use this site in a separate letter. I would love to know if anyone is still doing these.....There are also lovely assemblies at 11 am on a Thursday.

To access the lessons, click on 'Online Classroom' > 'Schedule' > 'Year 2' and select the day. The lessons need to be done in order – don't worry if you have missed a day, just do the next lesson in the sequence depending on where you are up to. I think the Maths ones are really good and I have seen lots of you using them. Lots of you have bought your own Year 2 Maths books which is fabulous!

Please try to do 10 rounds of Times table rock star .Message myself or Mr. Thompson if you need your login <https://trockstars.com/> This type of practise is SO good!! **PLEASE PRACTISE 2x, 3x and 5x tables. Write them out or make up a game to learn them. I will provide a template.**

I will give out DOJO points to anyone who can show me their times table learning.

If you need any help accessing the online learning please message the class teacher through Class Dojo. I will be reading **The Twits** and setting some work. We have read some of this in Reading sessions at school but now we will be doing some Writing around the story. Well Done to those who have shared their writing with me!!

Daily PE / Exercise

Try the Joe Wickes daily PE slot if you haven't already. They are really fun.

Mental Health and Wellbeing

Choose any of these activities to do – these are suggestions and don't all have to be completed:

- ✓ Draw pictures or take photos of the different trees and plants you see on your walks.
- ✓ Make a memory book of this very special time.
- ✓ We would love to see your home learning in action so please send any messages or photos through ClassDojo to show us and we will message you back! Don't forget you can tweet pictures of your work to @stmatprimary or bring it into school when we return.
