Complete the daily challenge at: https://whiterosemaths.com/homelearning/ 20 minutes of Times Tables Rockstars practice every day. Mr Thompson has created a TTRS battle starting this Friday. Y2 vs Y3, Y4 vs Y5 and Y6 vs the teachers! 20 minutes of classroom secrets practice every day. 10 Minutes of mental maths practice every day. IXL should be used to focus on areas you wish to develop- 10 minutes every day.	
P.E	
Use Joe Wicks HIIT workouts for kids on YouTube to perform a routine at home. If possible, have a go at improving your throwing and catching – use the different throwing skills we have been learning: Keep your eyes on the object until it arrives in your hands. • Get your body behind the object (i.e. in front of its flight path). • If you see the ball passing to one side, move your whole body to the side. Don't just reach your arms out to the side. • If the object is arriving above your waist, your palms face forward, your fingers point up, and your two thumbs should be touching. • If the object is arriving below the waist, your palms face forward, your fingers point down, and your two pinky fingers should be touching. • As you receive the object with your hands, you should bend your arms and bring the object in towards your body.	
Mental health and wellbeing	
See the sheet attached for ideas.	
We would love to see your home learning in action so don't forget to tweet your pictures of your work to @stmatprimary and bring it into school when we return
