We hope you have enjoyed the home learning, we have seen some lovely pictures of your writing, drawing and crafting activities! Please do keep sharing any pictures of what you have been up to at home as we love to see them.

Have fun!

### Daily Oak National Academy Lessons / BBC Bitesize

Please continue to use the Oak National Academy site to access daily English, Maths and Foundation subject lessons. You can find the lessons here: <https://www.thenational.academy/> and we sent instructions for how to use this site in a separate letter.

To access the lessons, click on 'Online Classroom' > 'Schedule' > 'Year 3' and select the day. The lessons need to be done in order – don't worry if you have missed a day, just do the next lesson in the sequence depending on where you are up to.

If you need any help accessing the online learning please message the class teacher through ClassDojo. We will be able to message you back directly during school hours.

There is also BBC Bitesize: <https://www.bbc.co.uk/bitesize/dailylessons>

### Mental Health and Wellbeing

Here are some great activities to do at home to help with mental health and wellbeing:

- Draw a family portrait, maybe using paint!
- Make up a dance to your favourite song. If you want you can perform it to the rest of your family!
- Build a den! Make your own private place using a couple of chairs and a blanket or towel.
- Make a list or draw a picture of all the things in your home which start with the same letter or the same colour.
- Run up and down your stairs or living room. Start with 10 times and then do more each day so you beat your record each time.
- Drive in movie: Take a big cardboard box and decorate it to look like a car. Put a cushion inside and sit in front of your screen and enjoy your favourite film/TV programme! You could even enjoy popcorn too!

Keep smiling and have a great week Year 3!
