

Year 5 Weekly Home Learning Plan – 19th June 2020

Please find below this week's Home Learning for Year 5.

We are continuing to also use online learning provided by **Oak National Academy**.

ClassDojo

It has been lovely to see some of your photos this week, thank you. However, we would love to see lots more so you will be awarded 5 Dojo points for sharing photos or letting us know what you have been doing at home this week.

Please let us know if you are having difficulty accessing ClassDojo and we can sort it for you.

Reading

Read quietly, or to an adult for at least half an hour each day.

- Choose an animal that is **endangered** and do some research.
- Find out about their habitat, how they reproduce, what they eat and how you can help.
- Create another fact file using separate sections with subtitles.
- Try to put what you have read into your own words.
- Illustrate your fact file with some drawings or photos.

Daily Oak National Academy Lessons

There are lots more lessons available each on the 'Oak National Academy' website. You can pick and choose which ones to complete. We have had some good feedback on the content of many of these lessons. If you haven't tried them for a while, take another look.

Maths

Try the maths lessons on Oak National Academy (see above).

20 minutes of Times Tables Rock Stars practise every day.

You could also try 'www.timetables.co.uk' for more practise and games.

Please contact us through ClassDojo if you would like any worksheets, etc. sent home.

P.E

Continue to use Joe Wicks HIIT workouts for kids on YouTube if it works for you.

Worcestershire Virtual School Games

We are continuing to take part in this virtual school event in conjunction with Worcestershire School Games. Next week's challenge is an '**Agility Challenge**'.

Please use the following link to access the information for all of the challenges:

<https://www.activehw.co.uk/worcestershire-school-games>

Mental Health and Well Being

Choose any of these activities to do – these are suggestions and don't all have to be completed:

- ✓ Use your imagination to create a wonderful world for 10 year olds.
- ✓ You could use construction toys such as Lego or K'nex
- ✓ ... or perhaps recycled materials ... or design it on paper
- ✓ What would you want in your world?
- ✓ What would you need in your world?
- ✓ Have fun and please do share your creations and ideas on ClassDojo

We really do love to see your home learning in action so please do continue to send us photos of your work through ClassDojo and let us know if you are happy for us to share them.

You can also tweet them to @stmatprimary.
