

Reception Class Home Learning Plan Weekly expectation 06.04.20-10.04.20

Reading

Read with your family every day for 30 minutes.

Read your keyring words and if you have access to the internet then head to www.phonicsplay.co.uk to play our tricky word trucks – phase 2 and 3.

Watch the Beginners Bible film about the Easter Story

<https://www.youtube.com/watch?v=0PSgoPdKQFQ>

Make some puppets using the template attached and tell the Easter Story.

<https://www.booktrust.org.uk/>

Writing

What can you write about this picture? Talk about your ideas first and plan your sentences. Remember your magic 5!!

Keep a daily diary on Tapestry! Record what you get up to. Can your child help you spell some words?

Practise spelling words from your keyrings and have a go at writing all of your letter sounds every day.

Maths

15 minutes of daily numeral formation - writing your numbers

20 minutes daily on <https://kids.classroomsecrets.co.uk/>

Hide some Easter Eggs around the house or garden. Write some numbers on them and give

your child a number sentence card, e.g. $5+1=?$ They have to find the egg with the correct answer.

Make playdoh

(<https://www.bbcgoodfood.com/howto/guide/playdough-recipe>) and create Easter Egg patterns. You could create

number sentences, e.g. in the picture it would be $4+4=8$.

Write the number sentence down.

<https://whiterosemaths.com/homelearning/early-years/> This website has a weekly book (online version available) and lots of lovely daily activities.

P.E

Use Joe Wicks HIIT workouts for kids on YouTube to perform a routine at home.

Try different healthy foods. Try something new each day and write down what it is in a diary. Did you like it? What did it taste like?

Easter – create a piece of artwork to celebrate Easter. There are lots of lovely ideas on the internet. Can you make an Easter card for your neighbours? It could be in the shape of an egg, rabbit or cross. It will make them smile!!

Please check out the list of websites that have been sent to us by an Early Years team 😊

We would love to see your home learning in action so don't forget to tweet pictures of your work to @stmatprimary or @stmatprimaryEY and add it to Tapestry.
