

Welcome to Nursery Class

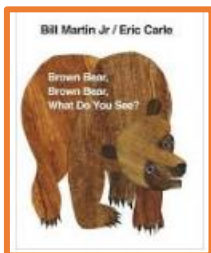

Dear Parents and Children,

We can't wait for September to see you all back or just starting your time at St Matthias! As you know, school has been closed for most children since we said goodbye to you all back in March. We are delighted that you can now all come back to school and we thought it would be helpful for you all to have an idea of what to expect on your return.

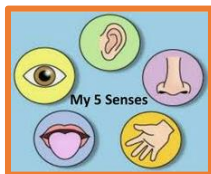

You will now be in **Nursery Class**.

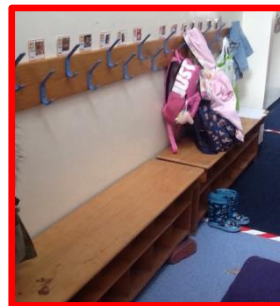

This is your new classroom. In the summer it will be painted and everything will be ready for you! There will be a role-play area, art area, writing area, maths area, ICT area and some work tables. We also have a lovely outside area where we will spend most of our time.

Exciting news! Next term our topic will be entitled 'All About Me and My Senses'. We will be finding out about our five senses and our focussed book will be Brown Bear, Brown Bear, What Do You See?

In the morning, you will enter the school and say goodbye to your family at this gate and then go to the corridor to find your peg. Your name and photo will be on it when you arrive.

We also use the Reception classroom so we have a very big classroom and lots of areas to explore.

Finally, just to say that we can't wait to see your smiling faces in Reception Class! Have a fantastic summer holiday. Best wishes and stay safe,

Mrs Taylor and Mrs Lester
