

5<sup>th</sup> October 2021

### **Townsend Community Woods Workshop**

Dear Parents/Carers,

As part of our science unit, we are taking Year 5 for a workshop at Townsend Community Woods, in Malvern. The Teaching Tree Workshop is provided by the Royal Forestry Society. On Monday 18<sup>th</sup> October we will leave school on the coach, just after registration and return to school before lunch.

During the two hour workshop in the woods the children will experience a range of creative and fun seasonal activities which closely link the care and management of woods to our own national curriculum topics.

Please ensure your child is in school by 8.55am on this day.

Your child will need to wear wellies, old jogging bottoms or old trousers with their school PE hoodie which are warm plus a waterproof coat over the top. Hats and gloves if it is cold.

The children must bring their school shoes (in a named plastic bag) to wear once we are back in school.

They will also need a bottle of water. There is no charge for this trip.

Yours sincerely  
Mrs Joyce and Mr Thompson  
Year 5 Teachers.
