Dear Parents/Carers,

Year 5 Animation Workshop – Malvern Cube – Thursday 7th October

We are delighted that St Matthias pupils have once again been asked to work with Strange Futures Theatre Company, this time to develop ideas for their new project, "The Whole World Can Come to Dinner". Years 4, 5 and 6 are to take part in a series of animation and storytelling workshops held at Malvern Cube Community Centre on Albert Road North, Malvern. These workshops will be led by Will and Matt from Strange Futures and animation students from the University of Worcester. The children will have a go at a number of animation styles and develop story ideas. The children's work will then be adapted, edited and refined and could be included in the live event in December!

One activity involves recording the child telling a short story, just filming their mouth. If you would prefer your child **not** to be involved in this particular activity, please indicate on the reply slip below.

Class 5 will attend the workshop on the afternoon of Thursday 7th October. Children will walk from school to Malvern Cube after morning lessons, eat their packed lunch at the venue and attend the workshop between 1pm and 3pm.

We would like you to collect your child from Malvern Cube at 3pm. If you are unable to arrange this please let us know.

Please note that if your child has Black Pepper lunches, we will request a packed lunch for them on this day. Please return the permission slip below by Monday 4th October.

Thank you.
